6th January 2025

14th February 2025

2nd June 2025

House Points For the week

Hardy: 1026

Nelson: 831

Trafalgar: 779

Victory: 889

Dear Parents and Carers

I hope this newsletter finds you all well.

This week has been a busy one as children get their teeth in to the planned curriculum for the last part of the summer half term. As part of Monday's assembly, we took the time to reflect on the three rules of our school: Be Ready. Be respectful. Be safe. This was to ensure that the high expectations we have for behaviour and conduct at Mill Rythe Junior School are maintained. Your support in reinforcing our three simple rules at home is greatly appreciated.

On Tuesday afternoon, I was working in my office when I heard what can only be described as a choir of angels singing 'This is me' from the Greatest Showman. So impressed, I left what I was doing to see the hall full of children singing with real gusto. I was even asked to rate them out of 10 by Mrs Wintle...It wasn't hard; of course, it was a 10 out of 10. This was, for me, the real magical Mill Rythe Moment of the week.

School Council Visit to the Donkey Sanctuary

On Wednesday 12th June our school council visited the Hayling Island Donkey Sanctuary to find out more about our chosen charity. We visited to see how the money we are going to raise would be put to good use. The children discovered that the donkey sanctuary has 30 donkeys and they live until they are approximately 50 years old. The children's behaviour was an absolute credit to the school. Well done! Thank you to Miss Harrison for organising the trip and to Mrs Ginn for accompanying the children.

Food Tasting in Year 6

This week, Year 6 learnt about Mexico's food exports and why inhabitants of Mexico tend to eat a lot of food that is grown in their own country. They gave some of these foods a try and, although sceptical of a few at first, especially the refried beans, there were lots of empty bowls at the end of the lesson!

Multiplication Table Check

This week was an important week for Year 4 as they sat the statutory Multiplication Tables Check. They have worked hard throughout the year to increase their knowledge and rapid recall of the multiplication facts. Thank you for your support at home with this too. Mrs Wintle and I, along with the Year 4 Team, were so impressed with the mature approach adopted by all of the Year 4 children.

PTA Fathers' Day Treats

Thank you to our wonderful PTA for organising this event. It has proved to be a very popular one! Thank you to everyone who supported the event too.

New Entrants to Year 3 Parents' Meeting – Wednesday 26th June 2024 @ 5pm

This week, a letter has been sent to all new entrants joining in September 2024. If you have not received your letter, please contact the school office who will be happy to assist.

Before school arrival

A number of children are arriving very early for school. They have been observed by the bus shelter on the main road and out on the grassy area in front of the school. Unless your child has been invited to attend Morning Mastery or Get Set Go Club, please may I remind you that the school gates open at 8:35am and this is when school supervision takes place. If you require childcare before or after school, Active8 Minds is able to provide this.

Friday 14th June

Maths Challenge

A rectangle has a perimeter of 84 cm.

It is divided into 4 identical rectangles.

What is the length of one of the smaller rectangles?

Remember to come and find Mrs Wintle to receive 10 house points for completing the challenge.

Have a lovely weekend and see you on Monday.

Mrs D Maxwell
