Headteacher's Message

Dear Parents and Carers

Welcome back! I do hope that you had a lovely Easter break. The children have returned to school and are already making a great start to the summer term.

Year 5 have already been out on a trip as part of their learning on rivers. Once again, the children's behaviour was exceptional and they represented the children of Mill Rythe Junior School exceptionally. Thank you and well done Year 5. Read below to find out more.

Year 5 River Trip

On Wednesday 17th April we went to Fishbourne river and Dell Quay to consolidate our learning on rivers. We had a great time seeing our learning come to life! We spotted erosion, deposition, tributaries and confluences and enjoyed measuring the water speed and height and depth of the banks. We made sculptures out of sand and discussed the uses for a river including the negative aspect of flooding. We had great fun deciding where we would live and seeing what would happen when it rained!

Morning Mastery Sessions

Just a reminder the doors open for morning mastery at 8:25 am. Children arriving before this time will not be supervised by staff.
